EDGE Employment Solutions

**POLICY ON
CRIMINAL SCREENING OF
EMPLOYEES AND VOLUNTEERS**

Effective Date: July 2014

1. BACKGROUND

EDGE Employment Solutions is a non-profit organisation established for the purpose of assisting people with disability to establish careers of their choosing in open employment.

Work practices focus on assisting people with disability to obtain and maintain employment. The development, implementation and monitoring of work practices is achieved through consultation with employees, registrants, their families, employers and other stakeholders. Ultimately, service delivery is dependent on funding from external sources, primarily the Federal Government.

2. PURPOSE AND SCOPE

The purpose of this policy is to safeguard the agency and registrants against recruiting employees or volunteers who have been convicted of criminal offences that would raise reasonable doubts about their suitability to provide care and support to people with disability. The policy recognises the agency's legal and moral duty of care obligations to registrants under Standard 1 and 6 of the National Standards for Disability Services.

3. POLICY STATEMENT

All field employees will produce a satisfactory National Police Clearance and Working with Children Check Card prior to being offered permanent employment with the agency.

4. PROCEDURES

EDGE Employment Solutions will:

- Inform all prospective applicants for positions with EDGE that they will be required to provide a satisfactory National Police Clearance less than one month old before issuing a letter of offer to a new employee.
- Inform all prospective applicants for positions with EDGE that they will be required to provide a valid Working with Children Check Card before being offered permanent employment.
- Require short-listed applicants to provide documentary proof of identity, such as a passport or driver's licence, before issuing a letter of offer to a new employee.
- If the recommended applicant has resided in other countries within the past five years, require them to supply a federal police clearance. These costs will also be reimbursed if the recommended applicant is subsequently appointed.

- If the recommended applicant has any recorded criminal convictions, make a determination as to whether the specified conviction would be likely to place registrants at any risk or breach of EDGE's duty of care obligations based on:
 - the relevance of any conviction to the position sought.
 - the nature of the offence.
 - the recency of the offence.
 - the circumstances under which the offences were committed.
 - whether the offence is still a crime.
 - the age at which the offences were committed.
 - whether the person has a pattern of offending behaviour.
 - whether the person's circumstances have changed since the offending behaviour.
 - whether the position being sought would offer unsupervised opportunities for a similar offence to take place.
 - the degree of remorse, or otherwise, expressed by the applicant and their commitment to change.
- Require current field employees to provide an updated National Police Clearance and Working with Children Check every three years.

6. REVIEW OF THE POLICY

This policy will be reviewed on a two yearly basis. However, if at any time the legislative or funding policy environment is so altered that the content of the policy is no longer appropriate, the policy shall be amended accordingly.
